MASTER AGREEMENT

The OLD FARM PET RESORT and its staff welcome you and your pet, to "*THE FARM*". Every effort will be made to ensure your pet's visit to "*THE FARM*" is both safe and enjoyable. We request that you take a moment and read the following:

Owner acknowledges that animal inter-action or boarding in unfamiliar surroundings can be stressful to your animal. Owner is also aware that stress may cause dormant conditions to become active, any medical condition may become exacerbated during boarding and/or daycare.

ILLNESS:

Owner agrees that should your pet become ill while at "*THE FARM*", our staff will make every effort to: (1) contact the owner at the number(s) listed on the registration form, to include any emergency number(s) and/or the owner's Veterinarian. (2) In the event the aforementioned is unsuccessful, "*THE FARM*" will contact a licensed Veterinarian, to evaluate and/or treat the animal. (3) Owner agrees to be responsible for any and all expenses necessary to care for said pet. In the event the pet owner refuses medical attention; "*THE FARM*" reserves the right to mandate *the immediate removal of the pet*.

Initial

LEGAL:

While it is "*THE FARM'S*" policy to maintain the safest environment possible; there is always a risk involved when allowing animals to interact freely with one another. During playtime; scratches, punches, scraps etc. can happen, and even though under constant supervision, fights and altercations can also occur. Pet owner agrees to hold harmless "*THE FARM*", its owners, officers, and staff from any legal claim regarding injury, illness, escape and/or death of any pet visiting the Farm. In the event my pet causes injury and or/death to a animal or person (in the custody of The Farm) pet owner assumes all responsibility both financial and legal for the actions of their pet from the date of injury and there forth.

Initial

VACCINATIONS:

“THE FARMS” policy is to require all animals visiting “THE FARM” to be current on their vaccinations, and to provide written verification; upon initial visit. However, the Bordatella Vaccine [Kennel Cough], is required every **six months**, and must have been administered no less than **72 hours prior** to arriving at “THE FARM.” [This rule has no exceptions]. Although “THE FARM” takes every precaution to prevent illnesses [such as Kennel Cough] pet owner acknowledges that vaccinations do not ensure 100% immunity. “THE FARM” is not responsible for the after-care of a pet, once it has vacated the Old Farm premises. “THE FARM” reserves the right to refuse service to a non-vaccinated animal.

Initial

We regret that we cannot accept puppies (under 16 weeks) for either day-care or boarding unless they are current on all needed vaccinations including Bordatella due to their immature immune system.

ABANDONED PETS:

In the event a pet has not been picked up as scheduled, and a definitive date and/or plan has been discussed with Old Farm personnel; the following will happen:

1. After **72 hours** said pet is abandoned.
2. “The Farm” will make every effort to contact the pet owner [via contact numbers in pet’s file].
3. At the termination of the 72-hour period, a certified letter will be sent to the pet owner’s address [as it appears in the file] regarding the abandoned pet.

Please note: The abandonment of a pet does *not* terminate, the pet owner’s financial responsibility to Old Farm [for care & boarding, food, all applicable medical & legal costs, etc.]

Initial

When signed; this Agreement shall become valid and in force on any animal placed in the custody of The Old Farm Pet Resort. Pet owner hereby agrees to the terms and conditions of this agreement.
